Hartford HealthCare Patient Billing,
Collections and Payment Plan Policy

Revision Date: 7/18/2018

Policy: The Hartford HealthCare (HHC) Patient Billing, Collections, and Payment Plan Policy is established to ensure collection activities adhere to HHC Financial Assistance Policy (FAP) as well as state and federal laws and regulations.

Purpose: The purpose of this Policy is to provide guidelines for conducting billing and collection activities that are compliant, efficient and equitable to maximize the collections of patient balances to maintain cash flow for the organization.

Scope: Patient Financial Services (PFS), Patient Access, Billing and Collections

Definitions: Throughout this document, reference to Patient Financial Services will constitute reference to the patient balance collection processes for Hartford HealthCare Corporation.

“Patient” means person receiving or registered to receive medical treatment or in context of the Policy refers to the person responsible for payment

“Patient Responsibility” All non-covered charges, deductibles, co-insurance, co-pays and amounts due from the patient after the uninsured and financial assistance discount per FAP has been applied.

“EMTALA” means the Emergency Medical Treatment and Labor Act, 42 USC 1395dd

“Health Care Services” means (i) emergency medical services as defined by EMTALA; (ii) services for a condition which, if not promptly treated, will result in adverse change in the health status of the individual; (iii) non-elective services provided in response to life-threatening circumstances in a non-emergency department setting; and (iv) medically necessary services as determined by HHC on a case-by-case basis at the provider’s discretion.

“Uninsured” means a patient who has no level of insurance or third party support to assist in meeting his or her payment obligations for health care services and is not covered by Medicare, Medicaid, Tricare, or any other health insurance
program of any nation, state, territory or commonwealth, or under any other
governmental or privately sponsored health or accident insurance or benefit
program including, but not limited to workers’ compensation and awards,
settlements or judgments arising from claim, suits or proceedings involving motor
vehicle accidents or alleged negligence.

“Underinsured” means the patient has some level of insurance or third-party
assistance but still has out-of-pocket health care service expenses such as high-
dereductible plans that exceed the patient’s level of financial resources.

“Financial Assistance” means free or discounted health care services for patients
who meet the eligibility criteria and are unable to pay for all or a portion of their
care. Financial assistance may be free or discounted services.

<tr>
<td>A. Patient</td>
<td>The primary responsibility for settlement of the account will rest with the patient. All patients, capable of doing so, will be required to sign an assignment and authorization form prior to admission or receipt of services. In any controversy, default, or misrepresentation the hospital will contact the patient for payment of the bill.</td>
</tr>
<tr>
<td>B. Insurance Coverage</td>
<td>It is the patient’s responsibility to provide accurate and timely information regarding health insurance, demographics, and applicable financial resources to determine whether the patient is eligible for coverage through private insurance, public assistance program, or qualifies for HHC’s Financial Assistance program. Hartford HealthCare has contractual agreements with private and governmental insurance companies. For insurance companies where a contract exists, the patient is only liable to pay for non-covered services and out of pocket expenses (e.g., co-insurance and deductible). Patient Financial Services will cooperate with these contracted payers to facilitate the collection of balances due by insurance.</td>
</tr>
<tr>
<td>C. Uninsured Discount</td>
<td>Published rates will be reduced as per the HHC Financial Assistance Policy</td>

I. Billing Practices:

A. Insurance Billing
   a. Hartford HealthCare will bill insurance coverage in an accurate and timely manner.
   b. If a claim is denied or not adjudicated by the payer in a timely manner, PFS staff will follow up with the payer and patient as appropriate for resolution.

B. Patient Billing
   a. Hartford HealthCare’s standard patient billing cycle is 120 days from the date of the first patient billing statement.
   b. All uninsured patients will be billed, per the Financial Assistance Policy.
   c. Patients with applications pending State of Connecticut Medicaid coverage will receive statements until the Medicaid program makes a determination regarding eligibility. If approved, Medicaid will be billed. If denied, patient billing will be re-initiated.
   d. Itemized patient billing statements are available to patients upon request.
   e. During the patient billing cycle, general collection activities may include follow up calls to patients with outstanding balances. These calls are meant to facilitate patient payments on the account and to resolve any discrepancies.
   f. A patient may dispute his or her balance at any time during the billing cycle by calling the customer service phone number listed on the statement or in writing to the return address listed on the patient billing statement.
   g. To qualify for patient statements, the balance must be greater than $5.00
   h. Individual accounts with a balance of less than $5.00 will be adjusted as a small balance write-off.
   i. Payment plan arrangements are available for patients who need longer than 120 days to pay off their balance. Revenue Cycle leadership has the authority to make exceptions to the payment plan guidelines listed below on a case-by-case basis.
      i. Maximum period 12 months
      ii. Episode of care balance $600-$12,000
      iii. Minimum payment $50 per month
   j. Accounts that are not paid in full or on an approved payment plan will be returned at 120 days and may be transferred to a collection agency, provided that HHC will instruct the collection agency to cease all collection efforts if the patient applies for financial assistance pursuant to the Financial Assistance Policy.

C. Collection Practices
   a. Collection activities will comply with State and Federal Regulations
   b. Patients who apply and qualify for Financial Assistance will have their balances adjusted according to established guidelines within the HHC Financial Assistance Policy.
   c. Patients may apply for Financial Assistance within 240 days from the date of the first patient billing statement.
d. Hartford HealthCare may forward balances to a collection agency if
   i. Patient has not paid the patient balance due within 120 days following
      first patient billing statement or
   ii. Patient is not meeting terms of approved payment plan
      1. After two (2) default payments on a payment plan. (A default
         payment is defined as a late or missed payment or a shortage of
         the agreed upon amount at any point during the payment plan).
      2. If a balance exists after the completion of 12-month payment
         plan (exception – if a patient adds an account to an existing
         payment plan, the plan will be extended 12 months from the
         date the new account was added
   iii. Patient does not have a financial assistance application under review
        or has not been granted assistance for the balance due

e. Accounts with an invalid patient billing address may be sent to a collection agency
   prior to 120 days following the first patient billing statement, provided that HHC will
   instruct the collection agency to cease all collection efforts if the patient applies for
   financial assistance pursuant to the Financial Assistance Policy.

f. Account balances less than $10.00 will be adjusted as a small balance write-off.

g. The collection agencies are authorized to establish payment plans as indicated below.
   Revenue Cycle leadership has the authority to make exceptions to the payment plan
   guidelines listed below on a case-by-case basis.
      i. Maximum period 12 months
      ii. 6 month payment plan if patient previously had a payment plan they
          defaulted on
      iii. 12 month payment plan if patient did not have a payment plan
           previously in active AR

h. Agencies will return uncollectible accounts without payment plans at 180 days

D. Extraordinary Collection Actions (ECAs)
   a. In the event a patient fails to qualify for financial assistance or fails to pay in a timely
      manner, his or her portion of discounted charges pursuant to the Financial Assistance
      Policy and this policy, HHC reserves the right to institute and pursue Extraordinary
      Collection Actions (ECA) and remedies such as imposing wage garnishments or
      filing liens on primary or secondary residences, bank or investment accounts, or other
      assets, instituting and prosecuting legal actions and reporting the matter to one or
      more credit rating agencies. For those patients who qualify for financial assistance
      and who, in HHC’s sole determination, are cooperating in good faith to resolve the
      outstanding accounts, HHC may offer extended payment plans to eligible patients.
      HHC will not pursue any ECA until it has made reasonable efforts to determine
      whether the patient is eligible for assistance under the Financial Assistance Policy.

   b. For patients who meet the terms of the payment plan HHC will not impose wage
      garnishments or liens on primary residences.

   c. No ECA will be initiated during the first 120 days following the first post-discharge
      billing statement to a valid address or during the time that the patient’s financial
      assistance application is processing. Before initiating any ECA, a notice will be
provided to the patient, along with a copy of the Financial Assistance Policy, 30 days prior to initiating such event.

d. If the patient applies for assistance within 240 days from the date of the first patient billing statement the ECA will be suspended while the financial assistance application is under review. If the patient is granted assistance, any ECAs such as negative reporting to a credit bureau or liens that have been filed will be removed.
e. Collection agencies performing legal work will obtain written approval from an HHC Revenue Cycle director prior to taking legal action including but not limited to:
   i. Lawsuits
   ii. Liens on residences
   iii. Wage attachments
