

Secure. Personalized. Accessible.

What is MyChartPLUS?

HHC MyChartPLUS is a secure, online tool that provides you with access to your personalized health information and records. MyChartPLUS is available to you anywhere and at any time. HHC MyChartPLUS allows you to actively participate in your care, and also alerts you to important health-related reminders to help you better plan the details of your ongoing health care.

What Can I Do with MyChartPLUS?

1. Request Medication Refills
2. Receive Non-Urgent Medical Advice
3. Communicate with your Provider and Care Team
4. Schedule Appointments
5. Update Your Medical Information
6. Pay Bills and make Co-Payments
7. Receive Health Reminders
8. Request Customer Service
9. Research your questions through approved website links
10. View information about specific conditions and problems.
11. Share your clinical information with providers outside of HHC (*coming soon*)

What Information is Accessible?

1. Your Medical and Surgical History
 2. Your Current Medical Problems
 3. Your Medications
 4. Your Immunization Records
 5. Your Allergies
 6. Your Lab and Test Results
 7. View your provider's actual visit note (*specific conditions apply*)
