2016 – LOOKING BACK AND MOVING FORWARD

Daniel J. McIntyre | President & Executive Director | Charlotte Hungerford Hospital

Dear Community Members,

In the future, the year 2016 will be remembered as an exciting and hopeful year of celebration and transition. Throughout the year, our staff, physicians, patients and supporters in the region paused on many occasions to take a special and sentimental look back at our history of providing 100 years of caregiving to the communities we serve. Discovering and experiencing our history gives us a special sense of the unending partnership we have with those who came before us, and allows us to forge ahead with our important mission with a renewed sense of pride and purpose.

Daniel J. McIntyre

It was also a busier than usual year as the hospital moved forward with new quality initiatives, its major emergency department renovation project, the introductions of new physicians and services, and the planned expansions and relocations of several multi-specialty group practices. Most notably, hospital administrators, staff and board members continued the process begun several years ago of establishing specialty group practices. Most notably, hospital administrators, staff and board members continued the process begun several years ago of establishing
ded 2016 quality initiatives, its major emergency department renovation project, the introductions of new physicians and services, and the planned expansions and relocations of several multi-specialty group practices. Most notably, hospital administrators, staff and board members continued the process begun several years ago of establishing

where we continued to embrace our status as the region’s largest employer, working diligently to strengthen our economic impact, build and support critical healthcare partnerships, and grow our local education, sponsorship, and outreach efforts.

As we look ahead to our next century of caregiving, our simple mission to “Provide care and comfort to the ill and injured” of our community remains the center of our efforts and dedication to healthcare. Our constantly changing healthcare landscape and the environment in which we operate will no doubt present us with daily changes and complex challenges. With this in mind, we stand prepared and motivated to meet them – grateful for the expertise of our staff and medical professionals and heartened by the incredible and generous support we receive from our patrons.

Our journey continues. We are glad you are on it with us.

Respectfully,

Daniel J. McIntyre
President and Executive Director

Honoring Our Past – A Year Of Celebration

100TH ANNIVERSARY BOOK “A CENTURY OF CARE: 1916 – 2016”

CHH published a special anniversary commemorative book that chronicles the people, places and events of the last century. This fully illustrated paperback book entitled Charlotte Hungerford Hospital: A Century of Care: 1916 – 2016, sells for $30 and is available exclusively at the Charlotte Hungerford Hospital Gift Shop at 540 Litchfield St., Torrington. Proceeds benefit hospital patient care initiatives.

100TH ANNIVERSARY GALA

CHH held a wonderful evening of celebration on September 24 attended by over 200 guests at the Torrington Country Club featuring cocktails, dinner, a silent auction and dancing to The Cartells. The event raised over $50,000, which was used to benefit patient care initiatives and establish a dinner, a silent auction and dancing to The Cartells. The event raised over $50,000, which was used to benefit patient care initiatives and establish a

“CENTURY OF CARE” HISTORY EXHIBIT

In early October, CHH presented a weeklong free pop-up history exhibit and talks featuring portraits, photographs, artifacts and documents collected by CHH since its founding. Vintage medical supplies and equipment offered a unique glimpse into early medical technology.

COLLECTION RESTORATION

CHH restored two of its historic paintings of its namesake Charlotte Austin Hungerford and her son hospital founder and benefactor Uri T.

ACHIEVEMENTS & CERTIFICATIONS

CHH once again earned a Joint Commission’s Gold Seal of Approval® for Hospital Accreditation by demonstrating continuous compliance with its performance standards. CHH scored among the top community hospitals in the nation, achieving satisfactory compliance in performance of 3,078 measures out of a total 3,100 measures with improvement plans for complete compliance well under way. CHH Service providers including the CHH Sleep Center, CHH Mammography, CHH Child Abuse Investigation Team, Winsted based Laboratory Services, Radiation Oncology Service, and PET/CT Scanner all received accreditation from their respective certification organizations in 2016. CHH was listed on Becker’s Hospital Review list of 100 Great Community Hospitals and was one of six Connecticut hospitals to receive a Leapfrog Group Best Practices and Hospital Safety Grade of “B.”

SERVICE QUALITY & PATIENT SAFETY

The quality and safety of our healthcare services and facilities remains our top priority. At CHH, zero infections is our ultimate goal, and we know it comes down to how effective we are each day at preventing infections. Our hospital takes great pride in the care and services we provide, and is always looking for new ways to improve the quality of care for our patients.

Our staff and physicians continuously conduct inventories of all infection control activities and search for improvements to our infrastructure, process, procedures and protocols, education, and equipment. CHH also works with and participates in programs and high reliability initiatives with Connecticut hospitals and the Connecticut Hospital Association to help reduce the incidence of hospital-acquired conditions and providing the best quality care to patients.

In 2016, CHH reviewed and implemented best practices for Infection Control, Surveillance and Prevention including new protocols for infection control and house wide re-education and competency assessments. It also added a new Infection Control /Prevention Officer with specialized training in epidemiology, initiated a Hartford Healthcare Infection Control, Surveillance and Prevention including new protocols for infection control activities and search for improvements to our infrastructure, process, procedures and protocols, education, and equipment. CHH also works with and participates in programs and high reliability initiatives with Connecticut hospitals and the Connecticut Hospital Association to help reduce the incidence of hospital-acquired conditions and providing the best quality care to patients.

Our dedicated caregivers work very hard to see that our patients get the best possible care. We know, however, that there is always room for improvement. We are pleased to report some immediate progress with our most recent infection control efforts have shown promising results and significant improvements in our scores. In 2016, CHH reduced C.-Difficile rate by close to 60 percent, class 1 Surgical Site infections by 28 percent, and cathereter associated urinary tract infections by 17 percent.

CHH also continued a comprehensive, six-phase, multi-year, renovation and expansion project that will provide modernization and infrastructure enhancements for the Emergency Department.

ECONOMIC GROWTH & IMPACT

Connecticut Hospital Association’s annual report on the economic impact that hospitals have on their local economies and job markets provides eye-opening statistics on our impact as the region’s largest employers. In total, CHH had a direct economic impact on our community of more than $251,287,000 including providing 770 full-time jobs, with a total payroll of $70,852,000. Dollars earned by CHH employees and spent on groceries, clothing, mortgage payments, rent, etc., generate approximately $71,738,000. Each year CHH spends about $45,419,000 on the goods and services needed to provide healthcare. Funds spent by Charlotte Hungerford Hospital on buildings and equipment total $8,592,000. This expenditure generates an additional $8,700,000 in local economic activity each year.

NEW SERVICES & TECHNOLOGY

The CHH Multi-Specialty Group added Torrington Pulmonologists Richard Kinsey, DO, and O’Neil Green, MBBS, who relocated to the CHH main campus as did the CHH Ear, Nose and Throat practice of Otolaryngologists Frank Luzzi, MD, and Alexis Bountreff, MD. A new Plastic and Reconstructive Surgery Service headed by Amir Nasir, MD, was also introduced and the Thomaston Primary Care office headed by Roberta Meltzer, MD, expanded its staff and relocated to a larger location at 76 Watertown Road, Thomaston. The Radiology Department introduced a new state-of-the-art PET/CT scanner and CHH also began using a new mobile lithotripsy unit.

COMMUNITY OUTREACH & EDUCATION

CHH continued its commitment and presence in the community completing a second Community Health Needs Assessment which provided a valuable snapshot of health trends and statistics in the region. CHH held its annual service of remembrance and butterfly release, free smoking cessation classes and hosted Red Cross blood drives and organ donation awareness day. CHH Center for Cancer Care and its Pulmonary Services Department introduced new supports groups, and CHH and Brooker Memorial presented a free talk on fall prevention and diabetes nutrition.

PARTNERSHIPS FOR THE FUTURE

On February 24, 2016, the CHH Board of Governors adopted a resolution to enter into a non-binding Memorandum of Understanding with Hartford HealthCare to work toward a formal affiliation. With these steps, CHH and Hartford HealthCare began a process of due diligence over the coming months while both parties will evaluate and finalize the details of the future partnership. By mid-year, the parties had drafted and approved a definitive agreement and set in motion the extensive regulatory processes required for final approval. At year end, CHH and Hartford HealthCare submitted paperwork for the necessary Certificate of Need approval to the State of Connecticut and were working to continue the process. CHH hopes to hold public hearings and finalize the partnership with Hartford Healthcare sometime in 2017 after which an exciting new era of healthcare will begin.

Moving Forward – Our Present & Future

On December 16, the hospital installed and dedicated a permanent memorial area and area of reflection featuring brass reliefs and biographies of Charlotte and Uri Hungerford on a granite obelisk. Two benches inscribed with the words “Honoring our Past” and “Building our Future” and memorial bricks also adorn the area.

ACHIEVEMENTS & CERTIFICATIONS

Hungerford entrusting the art restorers at the Williamstown Art Conservation Center. CHH also reframed its congratulatory letter signed by Herbert Hoover and Uri Hungerford photograph taken by famed photographer Pirie MacDonald.

ECONOMIC GROWTH & IMPACT

Connecticut Hospital Association’s annual report on the economic impact that hospitals have on their local economies and job markets provides eye-opening statistics on our impact as the region’s largest employers. In total, CHH had a direct economic impact on our community of more than $251,287,000 including providing 770 full-time jobs, with a total payroll of $70,852,000. Dollars earned by CHH employees and spent on groceries, clothing, mortgage payments, rent, etc., generate approximately $71,738,000. Charlotte Hungerford Hospital Auxiliary

The Charlotte Hungerford Hospital Auxiliary Board of Directors has 25 active board members. We could not exist without the continued support of the community in all our projects, which include special vendor sales, the Artset of the Month Program, membership dues, the annual fashion show and the CHH Gift Shop. The gift shop continues to serve hospital employees and the public with a beautiful array of merchandise.

In 2016, the auxiliary received a $500 donation from Brookdale Litchfield Hills Senior Living Facility in Torrington. The auxiliary thanks Executive Director Carl and all the staff at Brookdale for their generosity. Because the Auxiliary and CHH were celebrating their joint 100th Anniversary, the auxiliary held a special fashion show consisting of vintage and gift shop fashions. This sell-out event was a huge success, especially the featured models who were auxiliary and hospital staff members.

Throughout the year, the auxiliary donated over $44,000 for the purchase of a blanket warmer for the continued care of the hospital’s patients, five Vital Sign Digital Monitors, a specialized operating room scheduling whiteboard, molds for the podiatric surgeons to make antibiotic cement beads and computers and software for the CHH Sleep Center. The auxiliary also awarded its annual twelve $1,000 scholarships to students pursuing medical field careers. Two of the scholarships were to honor Albert Fabro, MD, and and the late Joseph Curi, MD.

The CHH Gift shop offers a wide array of gifts. The shop helps the auxiliary in funding its projects.

Center. The auxiliary also awarded its annual twelve $1,000 scholarships to students pursuing medical field careers. Two of the scholarships were to honor Albert Fabro, MD, and and the late Joseph Curi, MD.

Our Volunteers And Chaplains

The Charlotte Hungerford Hospital Volunteer Program provides essential, supplementary and complementary services to patients, families, visitors and staff. In 2016, the program had over 170 active volunteers in both non-clinical and clinical areas of the hospital and chaplains who donated over 18,000 hours of service. We are very grateful to all our many dedicated volunteers and chaplains who work with us throughout the year.

If you would like more information about becoming a Charlotte Volunteer please contact us at (860) 496-6349.

**In-kind Gifts**
- Local artist Frank Federico donated a marsh landscape painting to the Center For Cancer Care.
- Torrington Area Lions Club donated a supply of wallet sized magnifying cards for free distribution to patients and families.
- The following thoughtful and caring groups and individuals gave generously of their time to make quilts, prayer shawls, lap robes, newborn caps, blankets and handmade pillowcases for our patients: Quilts That Care, Winchester Congregational Church, Center Congregational Church, St. Anthony of Padua Church, The Teen Outreach Program through Connecticu Junior Republic, Immaculate Heart of Mary Church, Ingreda Storm, Jo-An Cacco, Gertrude Sawula and Judith Noddin.
- CHH would also like to thank all of our generous business partners and supporters who donated gifts for the raffle and silent auctions at our annual fundraising events.
