Hartford HealthCare is Connecticut’s only truly integrated healthcare system. With over 30,000 employees, the system offers the full continuum of care with seven acute-care hospitals, the state’s longest-running air-ambulance service, behavioral health and rehabilitation services, a large physician group and clinical integration organization, skilled-nursing and home health services, and a comprehensive range of services for seniors, including senior-living facilities.

Founded in 2013 with a mission of becoming a clinically integrated, physician-run organization delivering value-based population health, Integrated Care Partners (ICP) brings together community private-practice and Hartford HealthCare (HHC)-employed physicians. ICP includes more than 2,000 provider members, of which approximately 400 are primary care providers, and is a recognized leader in Connecticut in working to manage population health. This includes meeting quality metrics related to coordinating care and keeping patients healthy to improve their quality of life and the overall well-being of our communities.
