Spirituality

The hospital's Pastoral Care Department, staffed by Roman Catholic and Protestant chaplains, is available to assist all patients and their families with spiritual needs. If you would like to see a chaplain, ask a member of the nursing staff or the hospital operator to call our Pastoral Care Department. The hospital also has a chapel that is open to the public on the ground floor.

Patient Services

Interpreter/ Language Services

Backus Hospital is committed to providing quality services to everyone, including patients and family members or companions who are deaf or hard of hearing. Through the use of My Accessible Real-Time Trusted Interpreter (MARTTI), which instantly connects patients to interpreters via video conference, qualified sign language and oral interpreters, we are able to provide video interpreter services for American Sign Language and over 55 spoken languages, as well as audio services for about 200 other languages, on a 24/7 basis. For information on accessing these services, please contact the patient care representative at 860.889.8331, extension 2222 (after hours, call the nursing supervisor at extension 6812). Language interpretation for patients who prefer to communicate in a language other than English is available 24 hours a day through telephone translation. Please inform our staff of your interpretation needs.

Physical disabilities

Backus Hospital is a handicapped-accessible facility.
