

Introducing Pharmacy Liaisons

As a member of the **Hartford HealthCare Specialty Pharmacy Program**, you will have access to a personal pharmacy liaison who can help:

- Reduce medication copays
- Find financial assistance
- Set up free home delivery
- Set up refills
- Connect you with a clinical pharmacist who specializes in your condition

All of this is taken care of for you, at no additional cost, so you can focus on your health.

Learn More

This Specialty Pharmacy Program is available to all patients and employees of Hartford HealthCare. If you would like to learn more or speak to a member of our staff, please call **(844) 972-7070**.

Specialty Pharmacy Services

Treating chronic conditions can be complex. Help is here!

Hartford HealthCare now offers life-changing specialty pharmacy services that simplify every aspect of your care. We can make your treatment less costly, more effective, and more convenient.

Everyone I speak with is so helpful and kind. They really care about helping others.

When you are sick, kindness goes a long way. Thank you!

Hartford HealthCare Patient

Our Approach

The **Hartford HealthCare Specialty Pharmacy program** will closely connect your clinic care with your pharmacy care.

Pharmacy liaisons and clinical pharmacists specializing in your condition will address all of your prescription needs and ensure that your treatment is working between your clinic visits.

Our Services

Coordinated care between your physicians and our pharmacy includes:

- On-call pharmacist support
- Financial assistance support
- Insurance prior authorizations
- Free home delivery
- Refill coordination
